FRIDAY 11/29

47°/34°F

SATURDAY 11/30

42°/38°F

SUNDAY 12/1

50°/38°F

SOLVE THE RIDDLE:

An abundance in arms, but lacking in legs. A tall skinny body, but missing a head. I change with the seasons, it's winter I dread. What am I?

LAST WEEK'S ANSWER:

A turkey.

FUN FACT:

Sharks Existed Before Trees: Trees are young'ns compared to the geezer sharks that rule the sea. Sharks have existed for around 400 million years, while trees became their own official species only 350 million years ago. Other notable animals that outlive our leafy ancestors are the horseshoe crab as well as the jellyfish.
